**COVID-19 Outbreak Dashboard**

To protect the health of our school community, Trinity Lutheran will provide Public Notice to our School community regarding School Associated Cases of COVID-19.

When Trinity receives notification of a positive case, we contract trace and notify families of possible exposure.

This dashboard includes ONLY confirmed COVID-19 cases among students, staff, administration, coaches, or any other person who was present on school property or at a school function under circumstances that may result in the transmission of COVID-19 during their infectious period.

This dashboard will be updated to include new and cumulative COVID-19 case counts as they occur.

Updated: 3/11/2022

**SCHOOL ASSOCIATED COVID-19 CASES**

| | |
|---|---|
| **New Cases (Week of March 7)** | 0 |
| **New Populations Affected** | |
| **Cumulative Cases (Since 9/7/2021)** | 25 |

To the best of our knowledge, none of the positive cases were contracted at school or school-related events. Our school will continue to take every precaution necessary to protect our students against the spread of COVID-19.

This information does not mean you should quarantine or isolate. Those members of the School Community who were or are suspected to have been in Close Contact with a School Associated Case have been notified by Trinity Lutheran School and/or Monroe County Health Department.

Thank you for understanding that, due to privacy laws, we are not able to release the names of the individuals with COVID-19 or those being required to quarantine. We will continue to communicate changes and updates with you. If you have any questions, contact the Monroe County Health Department at (734) 240-7830. For answers to your COVID-19 questions, please call the Michigan Department of Health and Human Services COVID-19 Hotline at 888-535-6136 or visit Michigan.gov/Coronavirus.

Thank you,

Mrs. Cindy Lucas
