

## COVID-19 OUTBREAK DASHBOARD

To protect the health of our School Community and per the Emergency Order issued by the Michigan Department of Health and Human Services on October 6, 2020, Trinity Lutheran School will provide Public Notice to our School Community regarding School Associated Cases of COVID-19. Within 24 hours of being notified of a School Associated Case by Monroe County Health Department, this dashboard will be updated to include new and cumulative COVID-19 case counts. Individuals identified as Close Contacts of School Associated Cases will be notified separately and directly by Cindy Lucas or the Monroe County Health Department.

**Updated: November 17, 2020**

### STATUS OF INSTRUCTION AND SCHOOL-SPONSORED FUNCTIONS

- **Instruction:** *In-person learning remains unchanged for grades K-8 School.*
  - *Preschool and Pre-Kindergarten will suspend classes until Nov. 30 as a precautionary measure.*

### SCHOOL ASSOCIATED COVID-19 CASES

On November 17, 2020 Monroe County Health Department made us aware of the following case counts of School Associated Cases of COVID-19 amongst the Trinity Lutheran School Community. This data may include probable and confirmed cases as reported by Monroe County Health Department among students, staff, administration, coaches, or visitors, if the person with COVID-19 was in the building or participating in a school-sponsored function during their infectious period.

<b>New Cases (Since Last Update)</b>	1
<b>Cumulative Cases (Since Reporting Began)</b>	1
<b>Populations Affected</b>	Early Childhood Staff and Students

**This information does not mean you should quarantine or isolate. Those members of the School Community who were or are suspected to have been in Close Contact with a School Associated Case will be notified by Trinity Lutheran School and/or Monroe County Health Department.**

Our school will continue to take every precaution necessary. This may include spraying classrooms, hallways, locker rooms, and common areas, as needed, with a sanitizer, along with other methods of disinfection.

## **ACTIONS YOU CAN TAKE**

We recommend taking action to help limit the spread of COVID-19, even if staff members or students are not experiencing symptoms:

- **Wear a mask** (covering mouth and nose) while in public places or if people who do not live with you must visit your home.
- **Practice social distancing** (maintaining a distance of 6 feet apart).
- **Practice frequent handwashing** (using soap for 20 seconds or hand sanitizer with 60% alcohol).
- **Follow capacity restrictions** of social gatherings.
- **Cover coughs and sneezes** with a tissue or with the inside of your elbow and immediately wash your hands.
- **Stay home if you are sick**; you can also get tested.
- **Answer the phone if the health department contacts you**, as a contact tracer may be trying to reach you with important information.

Thank you for understanding that, due to medical privacy laws, we are not able to release the names of the individuals with COVID-19. We will continue to communicate changes and updates with you. With your participation, we believe we can maintain a safe environment while also providing quality education.

If you have any questions, contact Monroe County Health Department at 734-240-7832 or 734-915-1292. For answers to your COVID-19 questions, please call the Michigan Department of Health and Human Services COVID-19 Hotline at 888-535-6136 or visit [Michigan.gov/Coronavirus](https://Michigan.gov/Coronavirus).
